To

The Chairman

Rajas Dental College and Hospital

Kavalkinaru jn

Respected Sir,

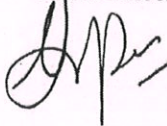

Sub: Requisition for approval of Museum for Physiology dept -reg.,

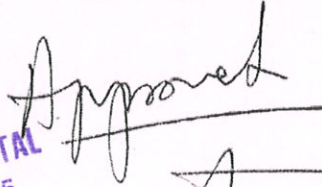

Our I BDS students had made lot of models during Physiofest Programmes every year. But we don't have enough space to display them all in sequenced manner. An unoccupied room was found in between clinical physiology lab and I year lecture hall .Since it is very next to our own lab it will be highly helpful if that room is allowed to be used as museum and to display student's handwork for now and in future. So, I kindly request you to give approval for that room and to make necessary arrangement for displaying models.

Thanking you

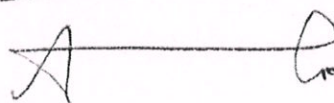

Kavalkinaru Jn

Yours sincerely,

  
13/7/21
