

University Format

Sl. No.	Titles of the Articles	Journal details
1	Determination of Prevalence of Gingival Biotypes in Health (Abstract)	Int Dental J 2015;65(S1):118-175
2	Pyogenic Granuloma - Non-Surgical Management by Ligation Therapy: A Case Series	Int J Health Sci Res 2016;6(6):390-393.
3	Recession coverage with minimally invasive surgical therapy	Univ Res J Dent 2017;7:27-30.
4	Periodontal Plastic Surgery: Made Easy with Acellular Dermal Matrix	Indian J Dent Sci 2018;10:102-104.
5	Conservative management of periodontally compromised mandibular Molar with a resective surgical procedure -hemisection - A case report	Journal of Indian Dental Association Tamilnadu (JIDAT) 2018;8(1):18-21
6	Increasing the width of attached gingiva by free mucosal graft – A case series	University J Dent Scie 2019;5(2):53-55
7	Grinspan's syndrome – A case report	Journal of Marthandam Indian Dental Association 2019;8(2):15-19
8	Standardized photometric assessment method: A novel approach for the analysis of dental ergonomic posture	J Indian Soc Periodontol 2020 24 227-32
9	A randomized split mouth clinical study to compare the clinical outcomes of subepithelial connective graft and acellular dermal matrix in Miller's Class I recession coverage therapy	J Indian Soc Periodontol 2020;24:342-7
10	What did Miller say? – A critical evaluation of Miller's classification of marginal tissue recession and its modifications.	Indian J Multidiscip Dent 2020;10:50-58
11	Expression of matrix metalloproteinase -9 in gingival tissue biopsy in patients with slowly/moderately and rapidly progressing periodontitis – an observational study	J Indian Soc Periodontol 2021:25:386-92
12	Matrix metalloproteinase-9 -1562 C/T promoter gene polymorphism in chronic periodontitis: a cross sectional observational study	J Indian Soc Periodontol 2022;26:348-352
13	Effects of nonsurgical periodontal therapy on serum creatinine level in systemically healthy individuals with periodontitis: An interventional study	J Indian Soc Periodontol 2023;27:190-194
14	Iatrogenic cold urticaria induced by tetrafluoroethane cryosurgery for gingival depigmentation – a rare case report.	Clin Adv Perio 2023;13:46-49

15	Actinomycosis of periodontium, mimicking gingival enlargement – A case report and its management.	J Indian Soc Periodontol 2023;17:651-654
