

Faculty and students from Rajas Dental College and Hospital are encouraged to participate in collaboration with government and non-government organizations in carrying out social outreach programs. Institute appreciates the services provided by students and faculty by considering their working for such activities as on duty. Some of these services are implemented as training program for the postgraduates and interns, who are posted regularly in centres like Boothapandi government hospital, Regional cancer centre, Trivandrum, Nellai Cancer centre, Kanyakumari medical college, Tirunelveli medical college etc and are included in their academic curriculum. Interns are also posted on rotational basis in satellite centres as a part of rural and urban health postings for Compulsory Rotatory Internship.

Some of the salient contributions of Rajas Dental College and Hospital to institutional social responsibilities include:

i. Participation in Government recognized health care programs:

- a. Screening and treatment camps for various oral diseases
- b. Oral cancer screening Programs
