Methods of mobilizing funds of Rajas Dental College

The constituent colleges of the society collect fee from various disciplines of courses offered by the respective colleges. These fees shall be fixed by the committee from Central / State Government / Universities, these colleges generate revenue by doing consultancies, research works with other companies / corporate bodies also. Secondly the society shall raise funds from various banks and individuals as secured loans and unsecured loans respectively to meet the deficit of the society as and when requires.

Planning for Resource Utilization

The Society will have a consolidated budget for every year, which includes all constituent colleges' revenue, expenditure along with capital expenditure. The society is in surplus before the capital expenditure. In order to meet the capital expenditure the society borrows funds from various banks. The surplus from the revenue can be used as corpus for the society.
