IQAC / NAAC MEETING

Agenda:

- The criteria for assessing NIRF can be compared with those of other institutions to
- evaluate our progress and identify areas for improvement.
- The Career Guidance Cell intends to sign an MoU with the Board of Apprenticeship.

Minutes of Meeting:

1. The NIRF assessment criteria can be compared with those of other institutions to evaluate our progress and identify areas for improvement.
2. Publicizing NATS among the final year students and organizing awareness programs about NATS will facilitate increased enrolment of students in the NATS portal, which will in turn help in increasing apprentices engagement.
3. The Career Guidance Cell has organized a campus recruitment drive which was conducted by Our alumini Dr.Shilfa Nigar , marking the first-ever campus interview specifically for the dental field. This initiative is open to all, from current interns to alumni, providing an opportunity for all bright talents to showcase their skills and secure placements.
4. Dr. Sam Anbusagaya will be conducting a talk on pharmacovigilance on either October 3rd or 9th. This session will focus on the current dangers associated with antimicrobial resistance (AMR) and the role of restricted antibiotics, as outlined by the Pharmacovigilance Private Limited India. The initiative is in accordance with the guidelines set forth by the Dental Council of India (DCI) and is planned for incorporation this year through the Internal Quality Assurance Cell (IQAC).
5. The IQAC initiating the Wondersoft software upgradation to enhance the detailed entry of prescriptions for the future reference.
6. The IQAC has initiated the upgradation of Dentsoft to ensure smooth entries of patient details.
7. An MoU has been signed with Yeneponya University for a faculty development program focused on Outcome-Based Education and Evidence-Based Dentistry.
